Shock Absorber Bush Kit

Subject: Part Number Supersession

Date: November 2006 **Revision:** A

Please be advised that Hendrickson Asia Pacific Pty Ltd is superseding a service parts kit as follows:

Current Part Number: A-13123L-8P
Bush Kit – Shock Absorber (Pk 8)

Replacement Part Number: 98941-006-8P
Bush Kit – Shock Absorber (Pk 8)

This new kit part number has been created to improve the installation process for some applications.

Sales of the superseded kit should continue as normal throughout the market until such time as all stocks are exhausted, and the new level kits start to feed through.

Note: Stocks of kit A-13123L-8P cannot be returned for credit (as they are still useable).

General

Bush kit applications as follows:

Hendrickson Trailer Applications

The 2-piece bush (per kit A-13123L-8P or 98941-006-8P) is to be used as the replacement bush on shock absorbers that are fitted with the metal shield.

The single piece bush (*currently sold individually*), part number 98941-002 is the replacement bush for shock absorbers that are fitted with the plastic shield.

Hendrickson Truck Applications

The 2-piece bush (per kit A-13123L-8P or 98941-006-8P) is to be used as the replacement bush kit on truck shock absorbers.
